To whom it may concern

We hereby certify that Mr. G.F. Samethini, born on November 12th [REDACTED] [REDACTED] Netherlands has been employed by us as a watchmaker from 1st November 2011 to 1st April 2015.

He was employed at a time we were commencing the total refurbishment of our workshop and retail outlet (both exclusively dedicated to sell and service Rolex watches). Mr. Samethini co-operated fully with the refurbishment of the workshop while continuing the work of repairing watches including ordering new tools and equipment and overseeing its installation. He successfully instituted a storage system for spare parts.

His work as watchmaker has been of a very high standard. He has been a solitary watchmaker in a busy workshop carrying out all the functions required (ordering, receiving and storing parts, receiving watches from the shop, dealing with the customers, repairing these watches according to the customers' instructions, pricing the work, etc.).

He has been punctual, well-presented, polite and committed to his work.

He is leaving us of his own accord to develop his watchmaking career. We wish him success in achieving this.
